

# channel letters

[www.masign.com](http://www.masign.com)

Face-lit, Side-lit or Halo-lit, Channel Neon Letters give your name or logo deeper dimension using neon or LED illumination.

Few sign products provide: Impact, Identity & Draw for Business then the way Channel Letters can.

The painful truth for retailers is a better mousetrap attracts better mice. The versatility of this type of sign allows you to set yourself apart from other retailers.
