

# monument signs

[www.masign.com](http://www.masign.com)

From a corporate image to a welcoming invitation Monument, signs are a significant way to represent your place of business. MASA can construct your next monument sign using a combination of materials including Metal, Acrylic, Efis, Stone, Fabric, Wood and HDU. Think LED, Neon or Fluorescent direct or indirect lighting to bring your project to life. As with many of our projects, MASA will handle all phases of construction from concept to permitting and engineering to installation.
